Principal's Message

Welcome back everyone for an exciting Term Two. This will no doubt be another action packed term ahead for Team Tauhei. As the students have taken the first few days to settle back in to routines, the learning has taken off once again. This term really is the beginning of the business end of learning. The goals have been set, and it is time for every student to continue to work hard striving towards achieving the goals they set for themselves. I am looking forward to seeing the amazing progress from all the hard work that is put in this term.

“Every day may not be good, but there is good in everyday.”

School Assemblies

Our school assemblies take place every Friday starting at 2.00 pm. This is an open invite to all our community for whom would like to attend our school assemblies.

Board Of Trustees 2019 - Tauhei Combined School Board Elections This Year

Effective boards commit to, and plan for, ongoing improvement in the governance performance of a school. A large part of this is understanding the roles and responsibilities that a trustee on a board has.

Chris Calver and Chris May will be hosting an evening as a follow on from the NZSTA information evening. This session will be more specific to our setting in Tauhei. The dialogue will continue around what has been happening over the past few terms with governance, the direction that the school is heading, specific strategic targets and goals that have been set, and potential timelines for progress as we move through 2019, and into 2020. This is an open invite to any community member who is interested in learning more about Tauhei Combined School and it's governance.

Tuakana Award

Tuakana/teina refers to the relationship between an older (Tuakana) person and a younger (Teina) person and is specific to teaching and learning.

In the Team Tauhei learning environment we recognise the value of Ako (To teach and to learn), and the Tuakana award recognises an individual who has supported other students in their learning and well being, and been a role model both in the class and in the playground.

Tuakana Award recipient: Amy

Amy is an advocate for all students. She is incredibly helpful in class, and is always encouraging and cheering everybody on. Amy is the first one to help people who need a friend in the playground.

Tauhei News Team - Each week our TCS News Team **Livia** and **Harlow** will bring you news from the shop floor. What is going on with our goings on!!?

Everybody has been helping each other and sharing ideas about Truth Above All. We have also been teaching each other about what it means to use kind words and safe hands. As Tauhei students we know that you have to show respect and honesty to be responsible for your own learning and actions. Hamish made a hand for our wall display and said "Our hands are the symbol of new beginnings of what we can start to do to help our world." Anita also made a wall display and told us "Our school motto is Truth Above All and these are the ways I show it at school." Great work from all our classmates.
