Principal's Message

It has been a very interesting, and unprecedented, Term Two so far. There is still more to come as well; within the next week we'll be learning what the short term future of schools will be like. I am looking forward to all of Team Tauhei hopefully being back on deck very soon, though likely in a slightly different capacity than what we are used to.

Potential School Return

A reminder from Tuesday's email, our timeline leading into the government announcement Monday 11th May

Thursday 7 May: Government announcement of what schools will look like for Alert Level 3

- We will use this information to complete our Tauhei Alert Level 2 Procedure

Friday 12 May: Tauhei Alert Level 2 Procedure will be emailed to all families.

- Teachers making contact with families by phone to talk through Level 2 for your child/ren

Monday 11 May: Likely government announcement about when schools reopen.

- We will make contact with you to clarify further what will happen for Tauhei Combined School.

What a Great Mess!

Flooring Xtra in Morrinsville has begun work on our classrooms and office. We are having new lino for the floors and new Autex walls for both classrooms and Library. Also is new carpet and lino for our staff room and office area. To add to this, there will be new handles for the cupboards in the classrooms too. Our classrooms will be very flash for when students come back. Bring any artwork you have, or do some new art to bring back to school, our walls will be in need of some students' work.

Yummy Apple Stickers Remember to continue collecting Yummy apple stickers for school.

Message from our Board of Trustees

Our school has been allocated \$50,000 by the Ministry of Education to contribute towards replacing our playground this year. While our current playground is loved by our students, the Board feels with the many compliance issues, maintenance problems, aging and broken equipment, as well as injuries attributed to these issues, it is the right time to move forward with this project.

As a board, we have decided that on top of the Ministry of Education contribution, we will utilise an additional \$30,000 of our school funds (28.85% of total savings) to provide the best possible playground that we can get. This will be utilised for cost, construction as well as working with our property adviser Derek Devoy. It will ensure that we are using funds that are available to us now with no extra fundraising required, as well as having no effect on our school budget for this year.

The board would like to give the opportunity for our amazing community to have a voice in this process. We invite our community to provide any feedback, questions or queries to the board. This can be done in writing addressed to the Board to be part of the discussion at our next Board meeting, date still to be confirmed. The latest date for your voice to be presented at the board meeting is **Friday 20th June**. Thank you to our community for your continued support.
