## Principal's Message

The hills are alive, with the sound of...Team Tauhei Spirit!!! Our senior class has worked hard this week, and has defined Team Tauhei Spirit as 'persevering and encouraging others.' There is a lot of this happening around school at the moment as many of our student leadership roles are taking shape. From PE, to milk, to gardens, it is a privilege to watch students taking ownership of their learning and their school to shape it the way they want it to be.

**"He aha te mea nui o te ao? He tangata, he tangata, he tangata."**

After school care enrolment forms are available and is open Tuesday to Friday until 5.30pm. We are looking for new students for our great After School Care, please enrol soon. For more information please contact the school office. [office@tauhei.school.nz](mailto:office@tauhei.school.nz)

### PLEASE HELP:

After School Care would appreciate donations of the following items if you have any of these spare around your house.

**Children's Games, Books, Toys, Plastic Containers (Any size), and a television.** All donations dropped off to the school office would be greatly appreciated.

A special thank you to Kaimai Cycles for donating bike grips for our school flying fox. With the recent upgrade of parts and grips, our flying fox is once again a popular destination for students during break times. Thank you to Andrew May for his time and sourcing the replacement parts for us. A great team effort.

## Tauhei's Garden World

Kent and his team, Max and Charlize, have been busy developing the school gardens and growing our winter vegetables. Progress has been quick so far with a great deal of what was planted beginning to grow strong.

## Yoga with Whaea Kay

Every Friday this term Team Tauhei are participating in Yoga lessons with one of our parents and yoga instructor Kuljeet. Students are learning

different routines and poses and stretching their bodies and their minds further. Children derive enormous benefits from yoga. Physically, it enhances their flexibility, strength, coordination, and body awareness. In addition, their concentration and sense of calmness and relaxation improves.

# Tauhei News

Each week our TCS News Team, Livia and Harlow, will bring you news from the classroom and beyond. What is going on with our goings on in Team Tauhei.

## Tuakana Award

*Tuakana/teina refers to the relationship between an older (Tuakana) person and a younger (Teina) person and is specific to teaching and learning.*

In the Team Tauhei learning environment we recognise the value of Ako (To teach and to learn), and the Tuakana award recognises an individual who has supported other students in their learning and well being, and been a role model both in the class and in the playground.

### Tuakana Award recipient: Cody

## - Assembly Certificates -

Our super students have shown dedication to learning, friendships, and supporting others. Role models of Team Tauhei. Team Tauhei assemblies are held every Friday afternoon. All parents and family are welcome to attend. **From left to right: Week 3. Cody, Indie, Abby, Ashley, Saskia, Luke, Isaiah**  
**Week 4. Carlos, Kosha, Anita, Amy, Hamini, Lizzie**

*“We have heaps of certificate people because everyone is trying their best to improve.”* (Livia and Harlow)

Welcome Rayan, a new member to Team Tauhei. Rayan is a kind person who tries his best in his work.

At the moment it is autumn and the wind is blowing the leaves off the trees. Kosha has played in the leaves and said to us, “I wrote this story about playing in the leaves, and the leaves make big piles to play in when they all fall from the tree.” His writing is in the picture to the right.

Everybody has been playing and hiding in the big piles of leaves around the school. When people are running on the field when we train for cross country, the leaves are crunching and crushing under our feet. *By Livia and Harlow.*
