Principal's Message

What a fast paced and action pack last few weeks for Team Tauhei. Basketball and Hockey have started up for the year which is a fantastic opportunity for our students to show their sporting talents. Our Calf Rearing fundraiser is well under way with some fantastic parents at the helm of driving this for the PTA. To add to this, preparations for our Livestock Day have just begun. There is no shortage of fun and action in Team Tauhei.

“All our dreams can come true, if we have the courage to pursue them.”

Learning Discussions

Thank you to all of our great parents for coming to the Learning Discussions last week. It was such a positive atmosphere across the school and it is always great to catch up with you and talk about learning.

After School Care AFTER SCHOOL CARE IS AVAILABLE MONDAY - FRIDAY

We are looking for new students for our great After School Care, please enrol any time. For more information please contact the school office or our amazing Anna Dewhurst on 021 022 48427. *“It's so fun, I wish I could go every day,”* Tauhei student.

Constable Ross Visit to Tauhei

Constable Ross Watson visited Team Tauhei to train our bus wardens. Kent, Harlow, Charlize, Anita and Luke spent time enhancing our bus system to make sure we are keeping everyone safe. Constable Ross then spoke to all of us about the importance of bus safety and wearing our bus vests in the morning AND afternoon so we can be seen.

Upgraded Bus Vests

Thank you to the Morrinsville Kiwanis who very generously donated us brand new bus vests. These bus vests have LED lights in them to make us more visible when we are wearing them. Thank you Kiwanis.

Hockey Update

Our Hockey team began their campaign on Friday last week at the Morrinsville Intermediate turf. This week's game is at Morrinsville Intermediate at 4.30 pm against DSS 4. Go Team Tauhei!!!

Celtics Miniball Update

The Miniball season is well underway with the Tauhei Celtics playing at the Morrinsville Rec Centre. Some future stars in the making will be on display each Wednesday. The draw for each week is emailed to us every Monday which we will post on our school Facebook page.

Music in Team Tauhei

Every Friday Carl from MusiqHub teaches some students the beautiful language of music. Some 1:1 lessons as well as group lessons like Saskia, Harley, Luke and Louise in the picture learning Guitar.

Yummy Stickers

Please keep collecting Yummy apple stickers for our school. We are collecting a lot and by November we will be able to have enough for some brand new sports gear. Abby is keeping track of the stickers, and is excited of all the stickers we have. Keep eating!!!

Tuakana Award

Tuakana/teina refers to the relationship between an older (Tuakana) person and a younger (Teina) person and is specific to teaching and learning.

In the Team Tauhei learning environment we recognise the value of Ako (To teach and to learn), and the Tuakana award recognises an individual who supports other students in their learning and well being, and is a role model to others always.

Tuakana Award recipient: Mikayla

“She is nice and looks after everyone who needs help.” Charlize and Lousie

Assembly Certificates

Our super students have shown dedication to learning, friendships, and supporting others. Role models of Team Tauhei. Assemblies are held every Friday afternoon. All parents and family are welcome to attend.

The Quirky Cat by Mikiah.

This cat sensed that there was an earthquake and ran away. The birds flew away and there was a tree. There were lots of cats, the Quirky Cat ran up the tree and then ran down the tree. The cat ran to find it's home. The is homeless because Emma was not there but Emma was in the hallway.

The Quirky Cat by Honour

Suddenly, a strange cat came into my house. The cat led me outside. What a sight! I got a fright. The city is gone, there must have been an earthquake. “Stop running everyone! Get in your houses,” I shouted. After a little while their houses all broke down and people were not safe.

Saskia's Exploding Sticks

In Tui Class we have been trying to make exploding sticks with popsicle sticks. You use a weaving technique to put the sticks together, then when you unlock the end they explode like cockroaches jumping. “I like how they explode and it took us a couple of days to figure it out but we got there in the end.”
