Principal's Message

A action packed last few weeks of learning. When Project Energise spoke to us this week, it reminded us all about putting the right fuel into our bodies to feed our learning minds. Especially our GO food group for healthy, long lasting energy throughout the day. Also, our playground space is cleared ready for our new build. Our PTA is doing an amazing job with our Calf Rearing, thank you to everyone who has contributed to this project. What an exciting time to be part of the Team Tauhei community.

"Never standing still makes life pretty exciting."

EAT TO ENERGIZE
HYDRATION
Water is always the best choice to keep you hydrated, thinking sharp and performing at your best! Sports drinks have up to 11tsp of added sugar.

EAT TO ENERGIZE
EAT YOUR FOOD GROUPS: GO
Grain foods are your body's main source of fuel. It is important to eat these to ensure you have the energy to last the whole game.

Assembly Certificates

Our super students have shown dedication to learning, friendships, and supporting others. Role models of Team Tauhei. Assemblies and held every Friday afternoon. All parents and family are welcome to attend.

Wk 3: Carlos, Harley, Anita, Harlow, Louise, Indie

In the Fantails class, they have been creating their own Pepiha. Our Maori Mentors, Hamini and Sapphira, are helping Fantails with their Pepiha and keeping all the words in the right order. Kosha said, "Most of the kids in our class use places like Pukemokemoke and Mangatea which are around Tauhei. Some of us have other places because we are also from somewhere else too."

In Tui class some students made mini rafts. To make the raft we needed to use a hammer to nail slabs of wood together. "If I did this again I would change the type of wood because different wood will float better," said Charlize.

BOT News

We are excited to share with our community the design of our soon to be built playground. Students' thoughts and ideas of what should be included drove the design process. Also, we will have an extra basket swing. We hope to have our opening ceremony for the playground the following week after completion, and will let everyone know when that will be.

Your support is appreciated.

Please support Tauhei Combined School and Community by rearing a bull calf this year.

- Calves are reared to weaning and we will organise for them to be picked up at the end of October or early November. (If you prefer not to have vehicles access your farm, we can also accommodate calves to be delivered to a set place on a set date.)
- If you don't have access to a calf or rearing facilities you can still get involved. Donate a virtual animal towards the Virtual Tauhei Farm by donating the amount below.
- Visit tinyurl.com/y33m28zo to view our Tauhei Virtual Farm.

All proceeds go directly towards the upgrade of the school court, with a turf covering. Please fill out the form below and return to the school office as soon as possible. Any questions please contact the school office office@tauhei.school.nz 07 887 6844.
