Principal's Message

I am incredibly excited to continue the fantastic work from Term 3, as we race towards the end of what has been an interesting year. I reflect on the amazing opportunity we had to come together as a community at the end of Term 3 and recognise 3 amazing people, dedicating our new spaces to them. Our people are what makes Tauhei great, and this term is shaping up to be equally as great as well.

"All our dreams can come true, when we have the courage to pursue them."

Preschool visits and New Enrolments

We are beginning to explore our classes for next year, and plan ahead for our new enrollments. We always welcome new members to Team Tauhei and would love to hear from you. Please be in touch to hear about our enrollment and preschool visit process for 2021.

Tuakana Award

Tuakana/teina refers to the relationship between an older (Tuakana) person and a younger (Teina) person and is specific to teaching and learning.

In the Team Tauhei learning environment we recognise the value of Ako (To teach and to learn), and the Tuakana award recognises an individual who has supported other students in learning and well being, and been a role model in class and the playground.

Tuakana Award Recipient:

"It's been really good when we all work together as a team and help each other have fun." *Charlize and Louise*

Assembly Certificates

Our super students have shown dedication to learning, friendships, and supporting others. Role models of Team Tauhei. Assemblies and held every Friday afternoon. All parents and family are welcome to attend.

Wk 9: Hamini, Kent, Honour, Isaiah

Wk 10: Ashwin, Jasper, Mr May, Kosha, Anita, Luke

Mikayla told us about the little gardens they planted in our Tauhei Garden. "The little gardens were so fun to plant because we planted in the boxes outside. The process to plant them was to take out the weeds with spades, then water the soil in the boxes. We planted them in the soil and now the rain today is watering them for us." Now all we need to get some

more gardening gear which will make it easier for us to plant more things, which will be fun.

Team Tauhei Garden Shed

Thank you to Chris Van Der Aa and Craig Stobie who have helped bring to life our new Garden Shed.

At the moment - our Garden Shed is pretty much EMPTY!!!

Do you have any gardening equipment that you no longer use? Do you know anyone that could help? Is there anything you may be able to donate to the school? All help/donations are very appreciated, and will support us in building up our garden area even more.

Also - for a learning opportunity for Team Tauhei, we would love to have a working lawn mower. It is only for a small area, and would be brilliant for learning as well as the maintenance of this area.

Once again thank you for your support.
