Principal's Message

Team Tauhei is very busy, with an action packed term already in full swing. From Powhiri, to gardening, to amazing races and touch rugby, it is a privilege to see our amazing children as they continue to grow and shine in their learning.

“He aha te mea nui o te ao. He tāngata, he tāngata, he tangata ”

RTL B Welcome

Team Tauhei welcomed the Morrinsville RTL B cluster to the Tauhei Community Hall on Thursday with a Powhiri. Hamini and Sapphira led them into the hall to the sound of students singing our school song. Then Josh and Ryan showed their Mana giving speeches in Te Reo. Charlize led our singing, and the RTL B cluster was very happy to see our students perform our songs for them.

Group Day A brilliant effort from our 9 students (And their families) who entered Group Day this year, representing Team Tauhei. A few students picked up ribbons, and competed very well against all the Morrinsville schools. Well done team, and great to see calves back too!

Yoga with Whaea Kay Mindfulness and Hauora-Well Being is very important. At school we are lucky to have Whaea Kay with us this term exploring different topics through the learnings of Yoga.

Amazing Race Two teams from Tui class competed at the Hamilton Gardens Amazing Race competition. Just like on the TV show, the teams had to run around the gardens and complete challenges to accumulate points. It was a fantastic day full of Team Tauhei Spirit, and also a great opportunity to explore our amazing Hamilton Gardens.

Preschool visits and New Enrolments

We are beginning to set classes for next year, and plan ahead for our new enrolments. We always welcome new members to Team Tauhei and would love to hear from you. Please be in touch to hear about our enrollment and preschool visit process for 2021.

Team Tauhei Touch Rugby It has been a great turnout to watch our teams in action every Wednesday. Training is every week Mon & Tues.

The Legacy Project

This Legacy Project has been launched. An initiative to transform the entrance way into school, and make our mark in history as we build upon the fantastic past the school has. For more information, please contact the school office.

School Pool - Open for students soon

We are hoping to begin swimming in Week 5 of this term. This is of course weather and pool conditions dependant. We will communicate further with you when we get close to beginning our swimming for Term 4.

Tauhei News

Each week our TCS News Team, Charlize and Louise, will bring you news from the classroom and beyond. What is going on with our goings on in Team Tauhei...

Tuakana Award

Tuakana/teina refers to the relationship between an older (Tuakana) person and a younger (Teina) person and is specific to teaching and learning.

In the Team Tauhei learning environment we recognise the value of Ako (To teach and to learn), and the Tuakana award recognises an individual who has supported other students in learning and well being, and been a role model in class and the playground.

Tuakana Award Recipient: Kent

"Kent has grown into a leader during the year. He looks after the school and is a leader for his touch team." Charlize and Louise

Assembly Certificates

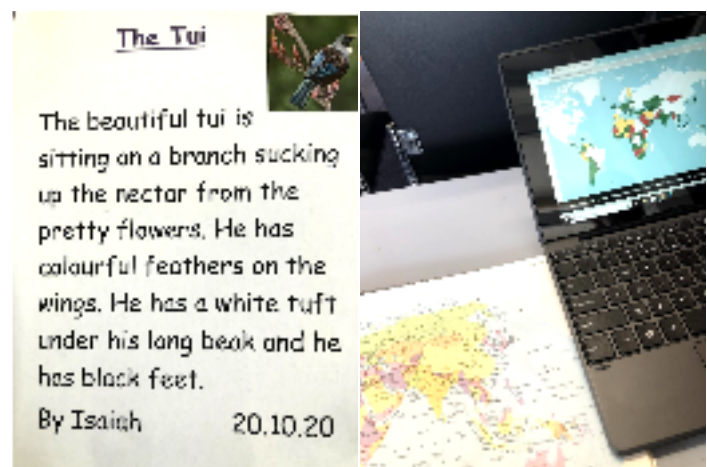

Our super students have shown dedication to learning, friendships, and supporting others. Role models of Team Tauhei. Assemblies are held every Friday afternoon. All parents and family are welcome to attend.

Wk 2: Indie, Mikayla, Honour, Sapphira, Harlow
(No assembly Week 1 with Livestock Day)

In fantail class they have been writing about the Tui bird. Isaiah said, "My favourite part about the Tui writing was learning that the Tui sucks nectar from flowers. The Tui has blue wings, blue and green feathers and a white tuft. My favourite sentence is 'The beautiful bird is sitting on the beach.' This is really creative writing, well done Isaiah.

Tui class has found an app where you learn about continents and countries. This has been helpful in learning about where people might come from. Harlow told us, "This week Mrs Hazlehurst showed us this cool app. We try to find these places but if we are stuck we are allowed to find an atlas in the class to help us." Something we have learnt that was interesting is that some countries are blocked off to the sea by other countries. New Zealand is not one of those kinds of countries.

Team Tauhei Garden Shed

At the moment - our Garden Shed is pretty much EMPTY!!!

Do you have any gardening equipment that you no longer use? Do you know anyone that could help? Is there anything you may be able to donate to the school? All help/donations are very appreciated, and will support us in building up our garden area even more.

Thank you to Abby's Mum and Dad for your kind donation of a lawnmower. We will begin to look after the lawns by the garden area and keep our Tauhei Garden looking fantastic.
