Principal's Message

I am honoured to be in a position to work alongside our teaching team, our kids and our community as part of Team Tauhei. Our students have had some amazing experiences already this term, with plenty more to come, and the support we receive as a school is fantastic. Thank you all for what you have done, and what we continue to do together - Team Tauhei.

Preschool Visits and New Enrolments

We are beginning to set classes for next year, and plan ahead for our new enrollments. We always welcome new members to Team Tauhei and would love to hear from you. Please be in touch to hear about our enrollment and preschool visit process for 2021.

Te Rapa Deep Pool

The deep pool was no match for our confident Tauhei swimmers. Students were able to experience not being able to touch the bottom of the pool as they learnt about water safety. Thank you to all parents who supported the day, your time was very appreciated.

Pool Delay

As our pools system awakens from its winter slumber, there is some unexpected repairs and maintenance that is required. This has delayed the start of our swim season, and we are working on getting the pool up and running very soon.

Yummy Sticker Prizes

Abby's order of swim gear from our Yummy sticker collection has finally arrived at school. We have received some flutter boards, 3 packs of diving hoops, and heaps of diving rods and a carry bags just in time for the swimming season. Thank you Abby for leading this for our school as well as to all our marvellous apple eaters. Yummy stickers collecting will be back soon!!!

Mikiah told us, "My favourite skip counting method is in the 10's because it is quick and easy for me." In Tui class this week we have been practicing athletics for this Friday. At the moment - our Garden Shed is pretty much EMPTY!!!
