Learning together – Minds Alive * Ako Ngai Tatou – Hei Kotahi Te Whakaaro

Welcome Back for Term 2 2018

A special welcome to Mikayla Dewhurst who starts her learning journey at Tauhei Combined School. We would also like to welcome Penelope Bridgeman and her family who have moved into our area.

There have been a number of changes in our school during the holidays.

Our major project to remodel Rooms 1 and 2 and build a large covered outdoor working space has begun.

This project is funded by the Ministry under the 5 year property plan with a contribution from PTA funds.

The construction site is fenced and will be completely OUT OF BOUNDS. Access to the school must be through the pedestrian gate beside the staffroom.

The double gates and gate beside the playground MUST NOT BE USED. NO admittance at ANY time.

Classes have moved to different classrooms for the duration of the work.

No children have changed class or teacher.

Kereru and Mrs Brown and Mrs Hazlehurst will work in Room 4.

Tui and Mrs Hazlehurst will work in Room 4 with some Tui working with Mrs Erceg in Room 3 during some activities.

The Education Review Office will be working in the school in Week 4 starting 21 May.

Thank You

✚ Thank You to the workers who came and has a working bee tidying up our grounds during the holidays.

✚ A special thank you to the PTA for the new office computer. Mrs Hazlehurst has a new laptop as well!

PTA are currently considering quotes for shade sails as part of the outdoor area outside Room 3.

NETBALL

Netball starts this THURSDAY

Yr 1 and 2 start at 3:30 pm (**fee \$20 per player**)

Yr 3 and 4 team - Tauhei Kiwi start at 4:00pm (**fee is \$30 per player**)
