Farewell

On Friday we farewelled Steve "the bus driver" Cook after 15 $\frac{1}{2}$ years loyal service to Tauhei Combined School. We thank him for the work he has done with our kids and wish him well at his new job in Maungatautari.

Message from Tana Umunga

How to help your children learn.

- Spend time with them
- Talk with them about important things
- Encourage them to do their best
- Find out what they are good at, and what interests them
- Be excited about the things they are good at
- Read with them often, talk with them about books
- Give them appropriate responsibilities at home
- Get them to find out things for you
- Ask them their opinions about things
- Have high and realistic expectations of them
- Be enthusiastic about learning with them
- Expect them to go to school everyday
- Really believe that they can do well
- Avoid comparing them with other children
