We are sad to farewell Tyler Danielson and his family Roslyn and Tristan this week. We wish them all well in their new adventure.

ERO Visit

I wish to thank our Whanau parent/caregivers and community members and the staff for your input and support of the school during last week's ERO visit. They will present their findings within 4 weeks and I will share any relevant information when it is available.

Many thanks once again. Chris

Life Education Trust

Kia ora from Mike & Harold.

It's great to be back!

This year the focus of our sessions will be the human body. The juniors will be learning about the respiratory system. The middle school will focus on the circulatory system and the seniors will focus on the brain! Sounds like fun.

Thank you to our PTA who paid for Mike and I to come and visit your school
