Newsletter Week 8 Term 1 19 March 2018

Learning together – Minds Alive * Ako Ngai Tatou – Hei Kotahi Te Whakaaro

A key focus for learning and teaching identified in our 2018 annual plan is

ORAL LANGUAGE

We aim to:

- Learn strategies to support all learners to build oral language, listening, memory, speech, thinking and literacy skills.

Nancy Hazlehurst and Anne-louise Erceg are attending a language course.

Elklan – aiming high with communication.

This course provides practical strategies to develop the oral language, communication skills and learning of all children particularly those with speech, language and communication needs. The course is full of practical ideas, which are directly related to the classroom and curriculum.

Dear Parents/Caregivers

During the course we will be observing the communication skills of children. Some of our observations will be written down to help us get the award for course completion. We will only use your child's initials to ensure confidentiality.

We are asking you to sign the permission slip attached to this newsletter.

Thank you for your support.

Nancy Hazlehurst and Anne-louise Erceg

We extend a warm welcome to Marie Woodall who begins work at Tauhei Combined School today. Marie will work with Nancy Hazlehurst supporting learning for children in our Tui group of learners.

Hamilton Triathlon

Tomorrow Lindsay, Alex, Jordyn, Chloe, Hamish, Jacob and Charlize will represent our school at the Hamilton Schools Triathlon Event

Work hard Do your best ... represent our school with pride.

Saskia, Charlize, Jordyn, Hamish, Lindsay, Alex and Jacob took part in the Piako Triathlon at the Morrinsville Recreation Grounds. There were around 200 children taking part. We all received a medal at the end of our race.

There were different levels and distances that we had to swim, bike and then run depending on our age.

It was lots of fun but exhausting.
