## Message from the new (and proud) Principal—Mr May

Welcome to week 2 of term 4. I hope everyone had a great long weekend and enjoyed family, and fun in the sun. It was a great week one, and my first week at Tauhei Combined School. I have felt warmly welcomed by everyone, and feel like the luckiest person in the world to be part of TEAM TAUHEI.

It is very important for me to mention the commitment and dedication of Anne-Louise Erceg and Nancy Hazlehurst. Their amazing hard work in keeping the school moving and the students learning has been incredible, and what a lucky group of students we have to have with them at the helm of leading learning for Tauhei students. Also it is important to thank all the people who contribute to the safety and learning of all students. What an amazing place we have, and I look forward to exploring alongside everyone what transforming learning looks like for Tauhei Combined School.

I am looking forward to meeting with parents and family throughout the remainder of the year to identify goals in the areas of student achievement, school climate and culture, and communication with parents and family. Our first Meet and Greet opportunity will take place on November 2nd, from 5.30pm onwards at Tauhei Combined School. There will be a BBQ available and also some games for all kids, big and small, to play.

In closing, please know that my door is always open to you. I heartily welcome your conversation and input. Let us always keep our students the primary focus of our work. I look forward to celebrating our collective successes and building an amazing learning environment for all students.

At 9.30am on 18 October 2018, we took part in the New Zealand Shake Out Earthquake Drill.

We followed the Great Shake process:

**DROP** down on your hands and knees. This protects you from falling but lets you move if you need to.

**COVER** your head and neck (or your entire body if possible) under a sturdy table or desk (if it is within a few steps of you).

**HOLD** on to your shelter (or your position to protect your head and neck) until the shaking stops. If the shaking shifts your shelter around, move with it.

# - Assembly Certificates -

Our super students have shown dedication to learning, friendships, and supporting others. Role models of Team Tauhei.

Team Tauhei assemblies are held every Friday afternoon. All parents and family are welcome to attend.

## - Team Tauhei is Sun Smart -

The sun is out in force, and Tauhei is striving to be a sun smart school. At Tauhei Combined School our policy is compulsory hats for all children in term four. Any child who arrives at school without a school hat will spend their morning tea and lunch time in our designated shaded area. School hats are available for purchase at the office, and look very sharp indeed!!!
