

# Tauhei Combined School Newsletter

Week 5

Term 4

13 November 2017

Phone 8876844

email: [office@tauhei.co.nz](mailto:office@tauhei.co.nz)

Our condolence goes out to Steve (the bus driver) and Jazmine (past student & after school carer) on the passing of his mother and Jaz's Nana. June was a big part in Tauhei Combined School's life when she lived with Steve and Jaz at Gunado. June helped with the PTA, lunches and many other school activities.

## **COL Surveys**

Tauhei Combined School is part of the Morrinsville Community of Learning which includes 11 schools in our district.

We believe that being part of the COL will ensure:

- ❖ Professional learning opportunities for our teachers
- ❖ Smooth transitions for our children as they transition across levels from preschool to college and beyond.
- ❖ Our parents and whanau are receiving consistent learning about children's learning.

COL leaders are currently consulting parents/whanau as they plan a vision and student achievement target for all schools in the COL.

An email has been sent to all parents (that we have email address for) if you don't receive this email. Please go to the following web address to begin the survey. <https://goo.gl/forms/L9niehwcAx57xSG53>

## **Rural School Athletics**

Tauhei Combined School will host the rural schools athletics attended by Kiwitahi and Motumaoho Schools.

All children from the 3 schools will compete. Events include: sprints, Long Run, High Jump, Throwing and Relays.

We are practising at school each day. Children should wear appropriate clothing for jumping and no jandals are allowed for running activities.

The PTA once again will be running the BBQ.

On offer will be the famous Chicken burgers that were cooked at this year's Livestock Day.

An order form is attached to this newsletter. NOTE this is for the 16 November.

Please wear school uniform. Parents/caregivers are welcome to come and watch. Athletics start at 9:45am

## **Fire Wise**

On Monday 13 November Fire-wise facilitator will be at the school leading the Fire-wise Education programme.

## Visit to Kingswood

Kingswood really enjoyed having our school come and perform when Granny Holmes turned 100 that they have requested that our school bring in a few students every 2 weeks and perform for the residents. Mrs Hazlehurst took a group in last week and read poems to the residents.

## Life Education

The Life Education Van will be here on the 20/21<sup>st</sup> November. There is a cost of \$5 per student. Please send to school as soon as possible.

## Abacus Calendars

Once again we are offering the Abacus Fundraiser.

Children have been busy working on their masterpieces. Your child's art work is made into affordable calendars, cards, diaries or notepads. These make unique Christmas gifts for family and friends and are perfect for posting overseas.

An order form is attached to this newsletter. Orders need to be back at school by the 17 November to insure we receive the order back to school before the end of year. ORDER FORM ATTACHED

The cost is as follows:

Calendars - \$10 each

Diaries - \$15.00

A set of 8 cards with envelopes - \$10.00

Notepad - \$11.00

## Touch Rugby

Touch this Wednesday

### Year 3-4 Team

Start at 3:30 – Field 5

Manager Claire or Sam Pettigrew

## Hats

In line with our "Sun Safe" policy all children must wear the regulation Tauhei Combined School hat when outdoors. Hats for sale at school \$15 some secondhand hats are available.

Children who do not have hats will be required to sit in the shade at break times.

Are you between 5 and 13 years of age? Want to do something fun over your school holidays? Then the 'Kiwani's' Summer Reading Programme – The wild kingdom' is for you!

To participate, all you need to do is complete challenges, read books and visit the library. It's that simple! Once you have completed the programme, Matamata-Piako Libraries will be throwing a great combined finale party with a special celebrity guest.

Plus, those of you who complete the most challenges and read every day will be in the draw to win your own robot (yes, you can build it and programme it to do cool stuff)!

Enrolments start in December. Watch our website for more details!
