Teacher ONLY Day

Morrinsville Community of Learning/Kahui Ako

Teacher Only Day - Monday 5 March 2018

Monday 5 March will be a significant day for learners in the development of our Morrinsville Community of Learning/Kahui Ako (COL)

Every teacher from every one of our eleven member schools will spend the day together with James Nottingham, one of the world's foremost thinkers within education. James will be flying into New Zealand on the Sunday night, spend the day in Morrinsville, and fly out on the Tuesday evening.

James has a remarkable ability to inspire positive change with his 'inviting and motivational approach to teaching and learning' with all teachers of young people ages 3 years to 18 years.

'Never afraid to challenge the norms, he offers thought-provoking professional Development that never fails to compel and fascinate teachers across the world'.

This will be the first time all teachers from across the eleven schools will work together to develop and improve learning across our community. We anticipate that this day will leave a lasting impression on us all for the benefit of every one of our students.

All member schools will be **CLOSED** for instruction on this day. Please note this in your 2018 calendar now. More details next year.
